Russian empire: Поздравляю всех! (Greetings everyone!)

Me: People will ask you questions in the comment section and you answer them.

Russian empire: Кажется достаточно простым! (Seems simple enough!)

What you thought of Young America?

Russian empire: Он кажется в порядке, я не жалел о продаже ему Аляски. (He seems fine, I didn't regret selling him Alaska.)

How did you raise your son?

Russian empire: Быть мужчиной, защищать жену и охотиться за едой. (To be a man, to protect his wife and hunt for food.)

Surprised on America's many states?

Russian empire: Nyet, I don't really care.

Ussr and communism?

Russian empire: Hmmmmm.....I don't support it, and maybe that's why he went against his father?

Opinion on Reichtangle?

Russian empire: Он довольно жестокий и жестокий. (He is rather brutal and cruel.)

Disloyal dog

There were times when he gets drunk on red wine and seduce his girl servants, he has many of them and slept with all of them. Even if he has a wife, he still had sexual affairs with his girl servants and maids.

What do you think of Prussia?

Russian empire: Good ally and comrade, even if he is rather a loud person.

Female Austria Hungary

Russian empire: Я думал, что он мужчина ?! Ну, она чертовски сука. (I thought he was a man ?! Well, she's a damn bitch.)

Kazah Khanate?

Russian empire: Я сожалею, что изменял моей жене с горничной, я люблю ее. (I'm sorry that I cheated on my wife with a maid, I love her.)

Japanese empire?

Russian empire: Он больной насильник и извращенец! (He is a sick rapist and a pervert!)

Ussr taking over your land?

Russian empire: Cyka Blyat! Never speak of that again!!! Ever!!!!

Me: Sorry!

Stuck in an elevator?

Russian Empire: I think I'd rather be stuck in there with my Grandson, Russia? Until we get out.

If someone took your eyepatch?

Russian empire: Я попытался бы вернуть его, я побегу за ними. (I would try to bring it back, I will run after them.)
